## EAT, DRINK AND FEEL FAMOUS!

Planet Hollywood is the perfect choice for a themed and unique dining experience. There's a friendly, buzzing atmosphere and a great vibe. Enjoy movie clips and music videos of all genres on the thoughtfully placed plasma screens on which, with one text from your mobile, you can display your own personalised message.

Hollywood is the backdrop to the main restaurant and also the inspiration for the theming with over 85 pieces of authentic original film memorabilia. Look out for one of Charlie Chaplin's trademark canes, Pierce Brosnan's 007 outfit from Golden Eye and Captain Kirk's communicator from the Star Trek TV series!
